Message from the Manager

After a busy start to the year Graham House Community Centre as always, will endeavour to support and empower the South Burnett community through our wide variety of high quality services and programs.

Graham House offers Parenting Programs, A Domestic Violence Men's Behaviour Change Program, Family Support Services, Broadband For Seniors, Community Kitchen and Emergency Relief just to name a few.

We also have our Family to Family area that holds donated clothing and household items that are available to any community member needing these items.

Graham House can now also provide support to farming community members experiencing drought-related financial hardship as a result of funding provided through the Queensland Government Department of Communities, Child Safety and Disability Services. If you, or someone you know, needs help please don't hesitate to call myself or Sharon Dowden on 4169 8400. We can meet and discuss support options with you at our Community Centre or even at your home or a venue of your choice. All enquiries are kept strictly confidential.
